

Newark Charter 2009-10 Teacher Accountability Statement

Newark Charter School is exceptionally proud of its staff. The breadth of content expertise and instructional knowledge is what makes the program and structure of the school's mission play out every day for our wonderful students. We believe that our staff is the finest in the state!

As part of school accountability in the federal No Child Left Behind Act, we are notifying parents of their right to inquire concerning the professional qualifications of all faculty members. You may receive information on the qualifications outlined by the NCLB legislation by calling Ms. Jackson at 302-369-2001
